INSURANCE DIVISION

The Bureau of Insurance was established by legislative enactment on March 21, 1873. From that date to the year 1913, the State Treasurer was ex-officio Insurance Commissioner. By Chapter 1, House Bill 55 of the General Assembly of 1913, the offices of the State Treasurer and Insurance Commissioner were separated. The Act created a separate Department of Insurance and provided for the qualifications of the Commissioner and his appointment by the Governor for a term of four years.

The Insurance Commissioner's report for the calendar year 1981 includes statistics compiled from abstracts of the Annual Statements and is published in tabular form, giving analysis, classification and summary of items comprising the Assets, Liabilities, Surplus, Gain and Loss Exhibits. The figures given of companies of Tennessee and other states and countries are those submitted by the companies in their annual statements under oath, except where changed by the Department audit or by request of the companies. The annual statements and schedules of all companies are on file in the office of the Insurance Department subject to public inspection.

As of December 31, 1981, there were licensed and transacting business in Tennessee the following number of companies or organizations:

CONSUMER AFFAIRS SECTION—YEAR 1981

The Consumer Affairs Section of the Department of Insurance assists policyholders, their beneficiaries and claimants in receiving fair and reasonable treatment in accordance with contractual provisions from insurance companies and their authorized agents. All inquiries are responded to, complaints investigated and appropriate actions are instituted where merited.

This Section serves as the investigative arm of the Department in monitoring the activities of agents throughout the state. Upon request, the staff assists local prosecuting attorneys in criminal cases where insurance companies and their agents are involved.

The Consumer Affairs Section is staffed as follows: a Director, one Supervisor, three Insurance Projects Officers, eleven Investigators, one Insurance Regulation Technician, and six secretaries. District Offices are maintained in Memphis, Jackson, Chattanooga, Knoxville, Johnson City in addition to the Nashville Office.

The report for this Section for 1981 is as follows:

RATING SECTION—JANUARY-DECEMBER 1981

The Tennessee Insurance Law requires that rates charged by property and casualty insurance companies in the State must be "fair, reasonable, adequate and not unfairly discriminatory." The Rating Section makes all legal and actuarial determinations involved with the filings from property and casualty companies and rating bureaus and reports to the Commissioner its findings.

The Rating Section has licensed the following rating organizations to make rates, rules and rating plans in accordance with the provisions of Chapters 104 and 142, Public Acts of 1945, for use in Tennessee, and such organizations are as follows:

American Association of Insurance Services
Automobile Insurance Plans Service Office
Crop-Hail Insurance Actuarial Association
Factory Mutual Service Bureau
Hail Information Services, Inc.
Insurance Services Office
Mill and Elevator Rating Bureau
National Council on Compensation Insurance
Nuclear Insurance Rating Bureau
Surety Association of America

The Rating Section has received filings in accordance with the provisions of Chapters 270 and 279, Public Acts of 1949, from the following advisory organizations which permits them to assist insurers or rating organizations in rate making by the collection and furnishing of loss and expense statistics or by the submission of recommendations, but do not on their own make filings:

Alliance of American Insurers
All-Industry Research Advisory Committee
American Nuclear Insurers
Cotton Fire and Marine Underwriters
Cotton Insurance Association
Fire Insurance Research and Actuarial Association
Highway Loss Data Institute
Independent Mutual Advisory Organization
Industrial Risk Insurers
Inland Marine Underwriters Association
Mill Mutual Fire Prevention Bureau
National Association of Independent Insurers
National Committee on Property Insurance
National Independent Statistical Service
Underwriters Grain Association
Underwriters Service Association
Uniform Forms Committee of Uniform Printing & Supply Company

During 1981 the Rating Section received 3,661 filings on which the following action was taken:

Approved	3172
Disapproved	108
Withdrawn	34

DIVISION OF FIRE PREVENTION

The Division of Fire Prevention, also known as the State Fire Marshal's Office, is administered by the Commissioner of the Department of Insurance in his capacity as State Fire Marshal, through the Assistant Commissioner for Fire Prevention and other staff members.

This division initiates statewide fire prevention programs; investigates origin and circumstances of fire; prosecutes the crime of arson and related offenses; regulates liquified petroleum gas installation, mobile home and recreational vehicle construction, gasoline bulk plants, manufacture and sale of fireworks; and prosecutes violations of the respective statutes.

The division also supervises electrical inspections; inspects public buildings for fire safety; and develops and maintains extensive public education programs which promote fire safety and prevention through school assembly programs, the media and specialized training programs.

The Division is organized into six sections: Administration, Fire Safety Inspection, Fire Protection Engineering, Arson and Fraud, Electrical Inspection, and Mobile Home Section.

The Fire Prevention Division produced the following revenue for the Year of 1981:

Administrative	142,583.00
Fire Marshal's Tax	2,161,324.95
Fire Prevention Section	51,417.00
TFIRS Grant	16,094.00
Mobile Home Section	204,844.49
Electrical Section	1,114,738.10
TOTAL	$3,691,001.54

ESTIMATED ARSON DAMAGE	$27,990,085
ESTIMATED SAVINGS AS RESULT OF INVESTIGATIONS	$6,145,570
CASE FILES CLOSED AS RESULT OF INVESTIGATIONS	1130

ADMINISTRATIVE SECTION

This section performs the general administrative duties as required to maintain organization and coordination among the various sections of the Division of Fire Prevention.

The duties include mail distribution, procurement and distribution of supplies and dissemination of information and policy. This section regulates the fireworks industry in the State by issuing permits to manufacturers, distributors, jobbers, wholesalers, and retailers of fireworks. In 1981—$142,583.00 in permit fees was collected as state revenue.

Fireworks Permits	142,583.00
Manufacturer	1,000.00
Distributor	36,000.00
Jobber	81,725.00
Wholesaler	4,250.00
Retailer	19,950.00
Display	108.00

This section, under its information and Education Group, also conducts a progressive fire safety program throughout the state. During 1981, 261 programs were conducted in schools and senior citizens centers in 95 counties. These programs reached over 45,000 youth and senior citizens.

This Section also maintains a film library that consists of various slide presentations and forty-five (45) 16MM films. These films are used upon requests from the various fire departments, schools, senior citizen groups, for a period of ten days at a time. Approximately one-half of the library is used each two weeks.

ARSON INVESTIGATION SECTION

The Tennessee Arson Investigation Section is the investigative arm of the State Fire Marshal's Office. This section investigates the cause, origin and circumstances of complex fires, explosions, and other criminal acts where a fire or explosion is involved, investigates all deaths caused by fire or explosions.

This section plans and organizes Arson Investigation Programs within the state, conducts training programs and seminars for local and federal agencies involved in arson investigation and fire prevention. It also enforces state statues on explosives, fireworks and investigates fire insurance fraud claims, presents reports and information to District Attorney General for prosecution, and makes arrests for violations where necessary.

Five district offices are maintained across the state located in the major cities for convenience and efficiency.

Revenue:

No State Appropriations—All revenue received and used is earned by penalties, fees, or forfeitures, and collection of the ¾ of 1% premium tax on fire insurance premiums collected in Tennessee and credited to the Fire Prevention Fund for maintenance of this division as specified in T.C.A. 53-2439 and 53-2441.

The following schedule reflects the number of arson investigations conducted during the year 1981 and the results of cases prosecuted.

ELECTRICAL SECTION

The Electrical Section is charged with conducting an inspection program available to all citizens of Tennessee. The purpose of this program is to ensure that anchoring and electrical installations are performed in a safe and uniform manner.

While conducting this program, utilizing some 64 contractural field inspectors, this section generated net receipts in the amount of some $281,000 during 1981, processed 14,150 applications for electrical registrations, performed 76,320 electrical inspections and 6,146 inspections of mobile home anchoring installations.

The administrative and supervisor functions of this section were performed by 11 state employees.

The following statistics show the number of electrical inspections made and the results of such inspections during 1981.

FIRE PREVENTION—Continued

FIRE SAFETY INSPECTION SECTION

The Fire Safety Section is charged with the responsibility of enforcing the National Fire Protection Association Codes (especially the "Life Safety Code") for the purpose of protecting the citizens and property within the State of Tennessee. The Division of Fire Protection adopted the 1976 edition of the Southern Standard Building Code and Volume 1 thru 16, National Fire Protection Code effective September 16, 1976. This office is currently in the process of updating the codes by Regulation that will encompass the 1981 National Fire Code and the 1982 Standard Building Code. Expected date of official adoption is July 1, 1982.

This section, because of reorganization and reduction in force, now consists of a Chief Fire Safety Inspector, an Assistant Chief and twelve inspectors. There are also two subsections consisting of a plans review staff of one person with an engineer under contract to review sprinkler plans, and a Tennessee Fire Incident Reporting System Officer. The entire section is supported by a minimum number of secretaries, typists and file clerks.

The plan review staff conducted a total of 139 preliminary and final plans on new construction. The engineer under contract reviewed a total of 147 sprinkler plans which included:

35 Schools
22 Nursing Homes
29 Hospitals
5 Retirement Homes
56 Miscellaneous

The fire safety inspectors conducted a total of 5,994 building inspections for fire code compliance, investigated 30 complaints, conducted 2,611 code consultations with architects, contractors, superintendents and owners and made 89 inspections of new building construction.

The Tennessee Fire Incident Reporting System (TFIRS) has continued to grow during 1981. Currently there are 67 fire departments reporting compared with 38 during 1980. This includes the City of Knoxville. These 67 fire departments still represent only a fraction of the 376 fire departments in the state. However, they are a fairly representative sample. At least 100 additional departments are willing to begin using the TFIRS immediately. Due to limited manpower and equipment, it is impossible to add these new departments to the system at the pace they would like to be added.

Demand for TFIRS data has picked up substantially during 1981. In addition to our internal use of the data collected and use of that data by the local fire departments, we now get requests for fire data from industry, insurance companies, educational institutions, private research organizations, other branches of government and many other groups. The data has proved very valuable to many of these organizations. Having good fire data on which to base decisions regarding fire prevention and control may prove to be one of the most valuable services provided by the Division of Fire Prevention to local fire departments and other interested groups.

During the calendar year 1981, the fire safety section collected the following revenue for certificates of registration, licenses and code books:

Explosives Certificates of Registration	18,942.00
Liquified Petroleum Gas Dealers Licensed	32,005.00

MANUFACTURED HOME & RECREATIONAL VEHICLES

This section is responsible for State Administration and enforcement of The Uniform Code for Factory Manufactured Structures and Recreational Vehicles and The National Mobile Home Construction And Safety Standards Act. This section also regulates manufactured structures industries by licensing manufacturers, dealers and anchor installers doing business within the state, performing in-plant production line inspections of mobile home and recreational vehicles during their construction, and performing inspection of completed units on dealer lots.

This section also participates in the HUD Mobile Home Program which includes mobile home consumer complaint handling within the State of Tennessee as a HUD Approved State Administrative Agency.

One area where revenue dropped was in the NCSBCS Monitoring Team in as much as the contract expired June 30, 1981 and was not renewed by NCSBCS. This revenue dropped from $35,020 to $6,313.49. With the drop in revenue the section still had an increase in total revenue from $185,018.00 to $192,304.49.

The administrative, supervisory and field functions is being performed with a total of 7 state employees.

ANNUAL REPORT—1981

The Division is charged with the regulation of the non-bank institutions, cemetery related trust funds, pre-need cemetery and pre-need funeral sales, premium finance companies and state chartered savings and loan associations.

The Division is functionally organized into three sub-sections. Each sub-section operates under the general guidance of the Director, who reports to the Commissioner.

DIVISION OPERATIONS

The following table summarizes the activities of the Division over the last four years.

ACTIVITY	1978	1979	1980	1981
Financial Registrants	701	817	812	769
REVENUES				
Operations	$ 181,050	$ 206,050	$ 234,900	$ 243,650
Tax Collections	$1,403,602	$1,592,358	$1,729,769	$3,344,207

Over the past four years, the revenue producing caseload has remained relatively constant. However, expenses have increased. This increase is due to staff increases, costs of materials and rent and salary increases.

The tax decrease is due to a change in the tax laws, namely the elimination of the surtax on savings and loan associations.

RECENT ACTIVITIES

During 1978 and 1979, the interest laws and statutes regulating the non-bank financial institutions were rewritten and updated. These changes clarify and simplify the regulation of these companies.

FINANCIAL INSTITUTIONS

The modernization of the laws effecting lending institutions has greatly clarified Tennessee law and simplified the regulatory process. Further actions, such as new rules and joint examinations with federal examiners, under similar statutes and guidelines have reduced compliance problems, description of business and eliminated duplication of regulatory efforts.

There is now a total of 294 FSLIC-insured savings and loan facilities open to do business in Tennessee, with offices and branches in 110 cities and 74 of 95 counties. Since January 24, 1978, all savings and loan associations in Tennessee have had FSLIC insurance.

Finance company registrants have been increasing at a rate of 10-15 per year over the last few years. However, this was drastically reversed this year. The continued high cost of money has reversed this trend to the detriment of the general public.

CEMETERY REGULATION

The Division is charged with the enforcement of the Tennessee Cemetery Act of 1968, as amended, and also the Cemetery Merchandise and Services Act of 1979.

Since its inception, we have registered 99 companies for pre-need sales. In the past year, we have caused to be placed in receivership four companies for lack of compliance to the perpetual care fund and are now in the process of further investigation.

The Division reviews over $27 million in perpetual care funds from 159 cemeteries and $1,361,457 in pre-need funds.

INSURANCE PREMIUM FINANCE ACT

This Act was passed in 1979 with a one year sunset provision that was removed by the 1980 legislature. No appropriation was made for its enforcement by the Division.

PRE-NEED FUNERAL SALES

Hearings have been going on for some time on a final rule which will be administered by the Loan Division on all pre-need funeral sales under T.C.A. 62-5-405.

SECURITIES DIVISION

The Division is charged with regulation of the securities industry. There are three sections under the supervision of chiefs who report to the Director, who in turn reports to the Commissioner.

SECURITIES REGISTRATION

The Securities Registration Section processes applications for registration of new issues of non-exempt securities. Registration statements are reviewed to determine whether they meet minimum standards as to disclosure of material information and as to fairness and reasonableness. No effort is made to investigate the facts provided by the Registrant. This section also processes requests for exemptions and responds to requests for no-action letters and requests for interpretative opinions.

The following table summarizes the activities and results of this Section:

	1977	1978	1979	1980	1981
Number of New Registrants	855	980	1,163	1,365	2,044

Fees	$151,873	$193,870	$262,837	$557,310	$956,294
Staff	4	4	4	4	4

*Estimated

During the last three years registrations have increased at an annual rate of over 40%. Currently each examiner must handle a case load of more than 1,000 new issues. To deal with this caseload the Division has adopted priorities for review designed to concentrate its resources on those issues requiring careful review. It has adopted uniform guidelines for review. Public availability of such guidelines speeds the process by enabling issuers to plan their offerings to meet minimum standards, or to provide justification for deviations at an earlier stage of the process.

BROKER-DEALER/AGENT REGISTRATION

This Section is responsible for registration and regulation of securities broker-dealers and their salesmen, and investment advisers. Applications for registration are carefully reviewed both as to adequacy and accuracy, in an effort to maintain minimum standards for members of industry. The following table summarizes this Section's activity.

Registrants	1977	1978	1979	1980	1981
Broker-Dealer Investment Advisers	489	497	520	571	490
Agents	3,969	4,421	4,000	4,748	6,830
Revenues					
Fees	123,230	135,670	137,890	303,080	439,515
Examinations	-	-	170	795	-
Staffing	2	2	3	4	4

The number of dealers has remained relatively constant for the past five years increasing at a 7% annual rate. The drop in registrations in the last year is due to a change in the definition of broker-dealer which eliminated the registration requirement for 94 issuers.

In August, 1981, Tennessee joined the CRD System, an NASD-sponsored computerized system for agent registration. The system did not serve the interests of Tennessee and our participation ended in February, 1982. The NASD is working on the System, and the Division looks forward to a time when participation would be appropriate.

ENFORCEMENT

This section is responsible for enforcement of the anti-fraud provision of the Securities Law. It investigates complaints from investors, follows up leads provided by other regulatory agencies, and initiates investigations based on information from informants. Cases are developed wherever possible for administrative, civil or criminal proceedings. In 1981, 30 investigations were initiated. Two (2) cases were referred for criminal prosecution. There were two (2) convictions for securities fraud. In one other case, criminal indictments were returned. A separate case was referred for contempt action. One permanent injunction was obtained. One Broker-Dealer was denied, one Agent license was denied, and one Agent application was revoked. Two hearings were held. There were eight (8) Consent Orders which resulted in Cease and Desist and Suspensions of five (5) Broker-Dealers and three (3) agents. Two Show Cause Orders were issued.

TENNESSEE STATE BOARD OF ACCOUNTANCY

In 1913, Tennessee became the twenty-fourth state to enact a law to regulate and license accountants. This first law was repealed and a new one passsed in 1926, a new law without a restrictive clause was enacted.

The Board shall be composed of eleven (11) members appoited by the Governor. Six (6) of the members shall be certified public accountants licensed by and residing in the State of Tennessee. Three (3) of the members shall be public accountants licensed by and residing in the State of Tennessee. One (1) member shall be an attorney licensed to practice in the highest court of this State. One (1) member shall be a public member possessing expertise in one or more significant portions of the board's regulated activities. The Board Members functions are to: (1) administer the accountancy act and rules and regulations; (2) determine the qualifications of C.P.A. candidates; (3) conduct the uniform AICPA examinations of candidates; (4) adopt and enforce rules of professional conduct; (5) revoke or suspend certificates for violations of the accountancy law, after a hearing.

During the fiscal year 1980-81, the production activity of the Accountancy Board was:

STATE BOARD OF ARCHITECTURAL AND ENGINEERING EXAMINERS

The State Board of Architectural and Engineering Examiners was originally created by Public Acts of 1921, to assure that only properly qualified persons shall practice architecture and engineering in this State. Public Acts of 1975 completely rescinded the old statutes governing the Board and replaced them with a new Act. Again in 1979, Sunset Legislation brought about major revisions by an Act to restructure the Board of Examiners for Architects and Engineers and the Board of Landscape Architects by combining such boards to create a single entity, to provide a termination date for such entity under the Governmental Entity Review Law, to provide for consumer representation on such entity, to amend Tennessee Code Annotated, Section 4-2903, and to repeal Tennessee Code Annotated, Title 62, Chapters 2 and 23.

This Board consists of seven (7) members, three (3) registered architects, three (3) registered engineers and one (1) member who is not engaged in the practice of architecture, engineering or landscape architecture. The Board is required to appoint a committee on Landscape Architecture for the administration of the Landscape Architectural registration process. This committee shall be composed of one architectural Board Member, one engineering Board Member, one engineerin Board Member and the third member shall be a Landscape Architect.

Uniform national examinations for each of the three respective professions are administered by the Board. Tennessee candidates passing scores rank with the national and regional averages.

During the fiscal year 1980-81, the production activity of the State Board of Architectural and Engineering Examiners was:

TENNESSEE AUCTIONEER COMMISSION

The Tennessee Auctioneer Commission was created 1967 by the adoption of Title 62, Chapter 19. There are four Commissioners appointed by the Governor. Three of these appointees are required to be practicing auctioneers with at least five (5) years experience prior to their appointment. The fourth Commissioner is a consumer member. The Commission meets during the months of January, April, July and October and special meetings are held when necessary to transact business. They are responsible for examining and licensing auctioneers and apprentice auctioneers engaged in the auction industry of Tennessee.

This Commission gives a two-part, oral and written examination. The exams are given on the first Monday of February, May, August and November. In addition to passing the examination each applicant must have two years experience working with a licensed auctioneer or one year experience and be a graduate of an auction school. Statistics of production activities are as shown below for the fiscal year ending June 30, 1981.

TENNESSEE BOARD OF BARBER EXAMINES

The first law regulating the practice of barbering in Tennessee and creating the Board of Barber Examiners was enacted by Chapter 118, Public Acts of 1929. The Board, appointed by the Governor consists of five (5) members, no more than two (2) of whom shall be from each grand division of the state. Four (4) members shall be practicing barbers who have practiced such occupation in this state for at least five (5) years immediately prior to appointment to the board. One (1) shall participate in all activities of the board except exam composition, administration of practical portions of examinations, and inspection of barber schools.

The four (4) barber members of the board serving on the board on June 30, 1981, shall continue to serve on the board until December 31, 1981, at which time replacements shall be appointed in the following manner so that the teams of such barber members may be appropriately staggered: One (1) appointment shall be for a term of one (1) year; one (1) appointment shall be for a term of two (2) years; and two (2) appointments shall be for terms of three (3) years. Thereafter all appointments shall be for terms of three (3) years as provided in subsection (2) of 62-301. Members appointed to fill vacancies caused by death, resignation or removal shall serve the unexpired term of their predecessor. No member shall be an instructor, owner, employee, or manager of a barber school or college.

The Barber Board composes and grades examinations, which consists of two (2) parts, written and practical demonstration for the apprentice and technician certificates, masters and practical instructors give a practical demonstration before the board to obtain their certificates, and theory instructors take a written examination. Approximately 80% of all those examined pass the test. The Board issues eight (8) types of licenses; school, students, theory and practical instructors, technicians, apprentice, master and barber shops.

Presently, each barber shop in Tennessee is inpected at least one (1) time per year,

however, due to the separation of some of the members of the Board, who also served as inspectors until December 31, 1981, and a general lack of inspectors from July, 1981 thru January, 1982 of this fiscal year, there were a number of barber shops that were not inspected. The barber schools are inspected monthly by members of the Board.

The performance of the fiscal year ending June 30, 1981 is as indicated below:

TENNESSEE COLLECTION SERVICE BOARD

Tennessee Code Annotated, 62-20-101, Acts 1981, Chapter 170 sets forth legislation for the Tennessee Collection Service Board. The Board is composed of three (3) members, appointed by the Governor for three year terms. Nomore than two of the members may be in the collection service industry. All are required to have been residents of Tennessee for at least five years.

The Board shall annually select from its members a chairman, vice chairman and secretary. No one (1) member of the board shall hold more than 1 office. They formulate all public policy concerning the industry; enact rules and regulations, grant licenses to applicants that meet the requirments; refuse to grant licenses to those applicants that do not maintain complete records or sufficient funds for clients; initiate investigations; issue solicitors cards; may suspend, revoke or cancel licenses for cause; and insure compliance with the enacted legislation pertaining to the collection industry. Their activities for the fiscal year ending June 30, 1981 are:

Activity	Number

TOTAL	659

BOARD FOR LICENSING CONTRACTORS

The first legislation regulating the construction industry in Tennessee was passed in 1931, revised in 1945, 1965, 1972, 1976, 1977 and 1979. The Board consists of six (6) licensed contractors appointed by the Governor, for seven-year terms. It is composed of one subcontractor, one home builder and four (4) other licensed contractors who have had at least ten years of construction experience and one public member who is not engaged in the business of constructing in any county of this state.

The board is responsible for approving applicants based upon experience, financial reports, letters of reference and equipment; accordingly the license is issued to construct in certain classifications, i.e. industrial, commercial, residential and a single contract limit above which he may not bid, i.e. $100,000, $1,000,000, $2,000,000. The Board members make bylaws, rules and regulations, determine the qualifications; conduct written or oral examinations; determine classifications and bid levels; revoke or suspend (after a hearing) any license or renewal granted and initiate or request investigations. The board shall meet in January, March, May, July, September, and November for the purpose of transacting businss. At the January meeting of each year, the board shall elect officers including a chairman, vice chairman and secretary.

The production activity for the year ending June 30, 1981 is:

Activity	Number
Applications & Licenses	1,156
Renewals	4,690
Rosters	58
Duplicate Licenses	17
Penalties	3,951

COMMISSION ON FIRE FIGHTING PERSONNEL STANDARDS & EDUCATION

The Commission on Fire Fighting Personnel Standards and Education was established in 1974, by T.C.A. Title 4, Chapter 24. It consists of nine members appointed by the Governor for six-year terms. The basic function of the Commission is to recommend to the Governor and the general assembly standards of performance, courses of instruction and training, and procedures for certifying levels of achievement for all fire fighting personnel.

The Commission is responsible for:

(1) Approving the training programs offered by county and municipal fire departments, both paid and volunteer.

(2) Recommending and approving curricula for advanced courses and seminars in fire science, fire engineering and training in institutions of higher education or other state supported schools; and certifying instructors for those programs.

(3) Establishing classifications based on training and education for all fire fighting personnel who desire to be certified and successfully pass the examination given by the Commission.

(4) Preparing standard examinations to test the levels of training and education of applicants for certification, and establishing a passing grade therefor.

In order to fully appreciate the progress made by this Commission, there are certain facts that must be considered. They are as follows.

(1) Although the Commission was established in 1974, the program was not actually operative until mid-October, 1979, when its *first* official rules and regulations became effective. Until this point in time, legally, there was no program in which fire departments could participate.

(2) This is not a mandatory program. Fire Departments, both paid and volunteer, participate on a purely voluntary basis. Recruiting is done through seminars and individual contacts at various places across the state.

With the above facts in mind, the following figures are submitted for progress comparison:

For Calendar Year 1980

Fifteen (15) departments were enrolled in the program with approximately 1400 people involved. Ten (10) examinations were given, with 57 applicants participating, resulting in the certification of:

10 Apprentice Fire Fighter I's
3 Apprentice Fire Fighter II's
21 Journeyman Fire Fighters

34 Certificates issued

Eight fire science instructors were also certified.

For Calendar Year 1981

Thirteen (13) departments were added to the program with approximately 800 people involved. Nineteen (19) examinations were given, with 430 applicants participating resulting in the certification of:

17 Apprentice Fire Fighter I's
10 Apprentice Fire Fighter II's
229 Journeyman Fire Fighters

256 Certificates issued

Three fire science instructors were also certified.

THE BOARD OF FUNERAL DIRECTORS AND EMBALMERS

The Board of Funeral Directors and Embalmers was first created by Public Acts of 1951. It was proceeded by the State Board of Embalmers. There are five (5) board members appointed by the Governor for 4-year terms and they are charged with the administration of T.C.A. 62-500, et. seq.

The Board is responsbile for the development of and enforcement of rules and regulations; for the standards of service and practice to be followed in the profession; for the examination of applicants and approval of the issue of licenses; initiating investigations and holding hearings for possible revocation of licenses. The performance of the board can be shown for the fiscal year 1981 by the following production figures:

BOARD OF EXAMINERS FOR LAND SURVEYORS

The Board consists of three (3) members, appointed by the Governor for six year terms. They are responsible for giving examinations to applicants for registration; licensing of land surveyors; determining the qualifications of persons in the industry; initiating investigations and conducting hearings of possible violations; revoking licenses when necessary; and for the annual renewal of licenses. During the fiscal year of 1981 their production activity was:

Activity	Number
Applications	94
Renewals	1,136
Penalties	296
Re-Exams	54
TOTAL	1,580

TENNESSEE CEMETERY ADVISORY COMMITTEE

The Cemetery Advisory Committee was created by the Legislature in 1980. This committee is composed of five (5) members, who are appointed for terms of four (4) years. This Committee is not a funded agency and they have no executive, administrative or appointive powers or duties, but do have authority to:

(1) apply for and accept on behalf of the Commissioner of Insurance federal funds made available to restore or maintain cemeteries of historical significance;
(2) consult with and advise individuals, citizens' groups, counties, municipalities, and agencies, departments or instrumentalities of the state government on matters pertaining to cemeteries of historicl significance;
(3) develop standards for the evaluation of cemeteries of historical significance meriting financial assistance from the state for the purpose of restoration or maintenance;
(4) estimate the cost of the proposed restoration or maintenance for a cemetery under review by the cemetery committee;
(5) recommend to the Commissioner of Insurance cemeteries of historical significance which merit financial assistance for restoration or maintenance; and
(6) recommend to the Commissioner of Insurance the amount of financial assistance required by cemeteries of historical significance.

TENNESSEE MOTOR VEHICLE COMMISSION

The Tennessee Motor Vehicle Commission was created by Public Act in 1955. The Commission consists of eleven (11) members, including two (2) public members. Their basic function is to regulate and license motor vehicle manufacturers, distributors, representatives, dealers, and salesmen, in order to prevent frauds and impositions upon the public. In 1958 the Commission was given responsibility for automobile auctions and in 1977 for automotive dismantlers and recyclers. Examinations are not required for applicants for any license.

The Commission meets at least four times per year, in January, April, July, and October. They employ a Director for administrative and field representation supervision. The six (6) field representatives handle complaints and mediate disputes between parties. Performance activity for the Commission during fiscal year ending June 30, 1981, was as shown:

Activity	Number
Manufacturers	85
Representatives	413
Dealers	822
Salesmen Licenses	2,590
Dismantlers & Recyclers	59

*NOTE: Biennial Renewal.

BOARD OF PHARMACY

The original Board of Pharmacy was created in 1893. The Board currently consists of six (6) members who are pharmacists; each is appointed by the Governor for a six-year term. The board employs a director, five (5) investigators, and clerical staff to administer the duties of the board; the director and three (3) investigators are pharmacists.

Specific duties of the board are to administer examinations to graduates of recognized schools or colleges of pharmacy applying for licensure; insure compliance with the Pharmacy Code; refuse to grant licenses or revoke or suspend licenses after conducting proper hearings; and through investigations and inspections insure that the pharmacists of Tennessee are properly dispensing drugs to the people for legitimate medical purposes in

accordance with state and federal laws. The general activity of the Pharmacy Board for the year 1981 is as shown:

POLYGRAPH EXAMINERS BOARD

The Polygraph Examiners Board was created in 1978 and was initially assigned to the Corrections Institute. In 1981 the Legislature abolished the Board and created a new Board attaching the agency to the Department of Insurance, effective July 1st. It is the purpose of this Board to regulate all persons who purport to be able to detect deception or to verify truth of statements through the use of instrumentation.

The general activity of the Polygraph Examiners Board for the fiscal year 1981 is as follows:

Activity	Number
Intern Permits	9
Polygraph Examiner	10

BOXING AND RACING

On June 30, 1980 the Tennessee Athletic Commission was "Sunset". The Legislature, however, passed a bill making the Director of Regulatory Boards, Department of Insurance, responsible for regulating boxing. The primary concern being the health and safety of the boxers. Wrestling is not regulated. The Director is also responsible for the licensing of automobile race tracks in Tennessee. The primary requirement for licenses for race tracks is the proof of insurance. Activity during the fiscal year ending June 30, 1981:

Activity	Number
Judges	18
Promoters	13
Boxers	53
Managers	11
Seconds	28
Timekeepers	9
Referees	12

TOTAL	172

TENNESSEE REAL ESTATE COMMISSION

State regulation of the real estate industry began in 1915, was revised in 1919, but only required the filing of an application, paying a fee, giving a bond and paying a privilege tax. This licensing was administered by the County Court Clerks. In 1951 the legislature created the Tennessee Real Estate Commission. The Commission Code has been amended and revised several times. There are currently seven (7) Commissioners appointed by the Governor each for a term of five (5) years. Two (2) public members were appointed to the board in 1980-81.

The Commission sponsored legislation in 1982 which gives them discretionary authority to reinstate licensees who are delinquent in paying fees. The bill also created a one-time grace period which will allow licensees to make up unfinished education requirements.

The basic responsibility of the Commission is to ensure protection to the public. This is accomplished by requiring and rendering competency examinations; requiring an apprenticeship for broker applicants; supervised affiliation for salesman applicants; establishing educational requirments; initiating investigations to eliminate incompetence, misrepresentation and fraud among some agents; and to help develop professionalism among real estate agents. Brokers and Affiliate Brokers are required to be bonded for the protection of the public. The Commission, after proper hearings, is empowered to revoke or suspend licenses. Their performance activity for the fiscal year 1981 is as shown:

Activity	Number
Examinations	5,843
Renewals	19,020
Transfers	6,226
Duplicate License	109
Rental Locators	25
Retirements	6,500
Firm Applications	284
Total	38,007

INVESTIGATIONS SECTION

During the fiscal year 1981, the primary objective of the section was to refine and reinforce the foundations upon which the section was established. The section performs investigations for all agencies of the Division except for the Board of Pharmacy and the Tennessee Motor Vehicle Commission. Because of the volume a request for three (3) additional investigators and one (1) typist was submitted and approved for the new year beginning in July 1981. A system of weekly and monthly reports of statistical information of the section activity was developed. Detailed records are maintained. The following statistics for the Investigative Section are based on the fiscal year, July 1980 through June 30, 1981.

Activity	Number
Investigations Opened	249
Investigaions Completed	192
Investigative Memorandum (Not based on formal complaint)	42
Investigations resulting in Formal Hearings	54
Hearings resulting in Guilty finding	35
License revoked	6
License suspended	12
License placed on probation	7
Letters of Reprimand	10

LEGAL SECTION

There are three staff attorneys working for the Regulatory Boards. One staff attorney primarily handles rules and legislation for all the Regulatory Boards. The other two attorneys handle board meetings and hearings. The staff attorney primary duties are:

1. to prepare and present contested case hearings initiated by the filing of charges against licensees by consumers, licensees and the individual board or commission;
2. to draft legislation and rules concerning the operation of the Regulatory Boards, and the businesses and professions which they regulate;
3. to conduct rulemaking hearings and attend legislative committee meetings at which matters pertaining to the Boards are considered;
4. to attend monthly board meetings of the fourteen Regulatory Boards for the purpose of answering legal questions and otherwise helping to guide the proceedings;
5. to respond to a large volume of legal inquiries from consumers, affected businesses, and counsel for respondents in contested cases;
6. review all proposed contracts which the Regulatory Boards are a party; and
7. act as a liaison between the Boards and the Office of the Attorney General and Secretary of State.

The Staff Attorneys review all Reports of Investigation and Investigative Memorandums submitted by the Investigative Section. During the 1980-81 fiscal year, 192 Reports of Investigation and 42 Investigative Memorandums were submitted to the Staff Attorneys for review and recommendation for action to the Boards.

One hundred and thirteen cases were presented by the Staff Attorneys to the Regulatory Boards for formal hearings. the 113 formal hearings resulted in 31 licenses being placed on probation, 17 licenses being suspcnded and 14 licenses being revoked, with the remainder receiving lesser degrees of disciplinary action. The civil penalties assessed from formal hearings (Pharmacy Board only) during this fiscal period totaled $37,400.00.

As of May 19, 1981, the Staff Attorneys' Office has assumed the responsibility of administering the Time-Share Act of 1981. This responsibility involves interpretation of the Act, reviewing applications for registration from developers, anwering legal inquiries and writing the rules and regulations of the Act.

INSURANCE DIVISION

The Bureau of Insurance was established by legislative enactment on March 21, 1873. From that date to the year 1913, the State Treasurer was ex-officio Insurance Commissioner. By Chapter 1, House Bill 55 of the General Assembly of 1913, the offices of the State Treasurer and Insurance Commissioner were separated. The Act created a separate Department of Insurance and provided for the qualifications of the Commissioner and his appointment by the Governor for a term of four years.

The Insurance Commissioner's report for the calendar year 1982 includes statistics compiled from abstracts of the Annual Statements and is published in tabular form, giving analysis, classification and summary of items comprising the Assets, Liabilities, Surplus, Gain and Loss Exhibits. The figures given of companies of Tennessee and other states and countries are those submitted by the companies in their annual statements under oath, except where changed by the Department audit or by request of the companies. The annual statements and schedules of all companies are on file in the offices of the Insurance Department subject to public inspection.

As of December 31, 1982, there were licensed and transacting business in Tennessee the following number of companies or organizations:

CONSUMER AFFAIRS SECTION – YEAR 1982

The Consumer Affairs Section of the Department of Insurance assists policyholders, their beneficiaries and claimants in receiving fair and reasonable treatment in accordance with contractual provisions from insurance companies and their authorized agents. All inquiries are responded to, complaints investigated and appropriate actions are instituted where merited.

This Section serves as the investigative arm of the Department in monitoring the activities of agents throughout the state. Upon request, the staff assists local prosecuting attorneys in criminal cases where insurance companies and their agents are involved.

The Consumer Affairs Section is staffed as follows: a Director, one Supervisor, two Insurance Projects Officers, ten Investigators, one Insurance Regulation Technician, and six secretaries. District Offices are maintained in Memphis, Jackson, Chattanooga, Knoxville, Johnson City in addition to the Nashville Office.

The report for this Section for 1982 is as follows:

RATING SECTION – JANUARY-DECEMBER 1982

The Tennessee Insurance Law requires that rates charged by property and casualty insurance companies in the State must be "fair, reasonable, adequate and not unfairly discriminatory." The Rating Section makes all legal and actuarial determinations involved with the filings from property and casualty companies and rating bureaus and reports to the Commissioner its findings.

The Rating Section has licensed the following rating organizations to make rates, rules and rating plans in accordance with the provisions of Chapters 104 and 142, Public Acts of 1945, for use in Tennessee, and such organizations are as follows:

American Association of Insurance Services
Automobile Insurance Plans Service Office
Crop-Hail Insurance Actuarial Association
Factory Mutual Service Bureau
Hail Information Services, Inc.
ISO Commercial Risk Services, Inc.
Insurance Services Office
Mill and Elevator Rating Bureau
National Council on Compensation Insurance
Nuclear Insurance Rating Bureau
Surety Association of America

The Rating Section has received filings in accordance with the provisions of Chapters 270 and 279, Public Acts of 1949, from the following advisory organizations which permits them to assist insurers or rating organizations in rate making by the collection and furnishing of loss and expense statistics or by the submission of recommendations, but do not on their own make filings:

Alliance of American Insurers
All-Industry Research Advisory Committee
American Nuclear Insurers
Cotton Fire and Marine Underwriters
Cotton Insurance Association
Fire Insurance Research and Actuarial Association
Highway Loss Data Institute
Independent Mutual Advisory Organization
Industrial Risk Insurers
Inland Marine Underwriters Association
Mill Mutual Fire Prevention Bureau
National Association of Independent Insurers
National Committee on Property Insurance
National Independent Statistical Service
Underwriters Grain Association
Underwriters Service Association
Uniform Forms Committee of Uniform Printing & Supply Company

During 1982 the Rating Section received 4,252 filings on which the following action was taken:

Approved	3,778
Disapproved	89
Withdrawn	27
Pending	327
Filed for Informational Purposes Only	31

Chief of Fire Protection

Cecil T. Patterson
Chief Arson Investigator

H. M. Bowling
Chief Electrical Inspector

Bill Bomar
Chief Mobile Home Section

DIVISION OF FIRE PREVENTION

The Division of Fire Prevention, also known as the State Fire Marshal's Office, is administered by The Commissioner of The Department of Insurance in his capacity as State Fire Marshal, through the Assistant Commissioner for Fire Prevention and other staff members.

This division initiates statewide fire prevention programs; investigates origin and circumstances of fire; prosecutes the crime of arson and related offenses; regulates liquified petroleum gas installation, mobile home and recreational vehicle construction, gasoline bulk plants, manufacture and sale of fireworks; and prosecutes violations of the respective statutes.

The division also supervises electrical inspections; inspects public buildings for fire safety; and develops and maintains extensive public education programs which promote fire safety and prevention through school assembly programs, the media and specialized training programs and reviews plans for new construction.

The Division is organized into six sections: Administration, Fire Safety Inspection, Fire Protection Engineering, Arson and Fraud, Electrical Inspection, and Mobile Home Section.

The Fire Prevention Division produced the following revenue for the Year of 1982:

Fees and Permits	1,840,573.45
Fire Marshal's Premium Tax	2,233,806.83
Federal Grant	9,835.83
TOTAL	4,084,216.11

ADMINISTRATIVE SECTION

This section performs the general administrative duties as required to maintain organization and coordination among the various sections of the Division of Fire Prevention.

The duties include mail distribution, procurement and distribution of supplies and dissemination of information and policy. This section regulates the fireworks industry in the State by issuing permits to manufacturers, distributors, jobbers, wholesalers, and retailers of fireworks. In 1982 $187,221.00 in permit fees was collected as state revenue.

Fireworks Permits	189,671.00
Refunds and Revocations	2,450.00
	187,221.00

Manufacturer	3,000.00
Distributor	39,750.00
Jobber	120,750.00
Wholesaler	4,500.00
Retailer	21,550.00
Display	121.00

This section under its information and Education Group, also conducts a progressive fire safety program throughout the state. During 1982, 272 programs were conducted in schools and senior citizens centers in 95 counties. These programs reached over 72,300 youth and senior citizens.

This Section also maintains a film library that consists of slide presentations and forty-five (45) 16mm films. These films are used upon requests from the various fire departments, schools, senior citizen groups, for a period of ten days at a time. Approximately one-half of the library is used each two weeks.

ARSON INVESTIGATION SECTION

The Tennessee Arson Investigation Section is the investigative arm of the State Fire Marshal's Office. This section investigates the cause, origin and circumstances of complex fires, explosions, and other criminal acts where a fire or explosion is involved, investigates all deaths caused by fire or explosion.

This section plans and organizes Arson Investigation Programs within the state, conducts training programs and seminars for local and federal agencies involved in arson investigation and fire prevention. It also enforces state statutes on explosives, fireworks and investigates fire insurance fraud claims, presents reports and information to District Attorney General for prosecution, and makes arrests for violations where necessary.

The Tennessee Fire Incident Reporting System (TFIRS), is administered by this section. The system presently has 93 member Fire Departments reporting fire incident profiles statewide. This information is correlated and returned to the members in the form of statistical data.

Five district offices are maintained across the state located in the major cities for convenience and efficiency.

Revenue:

No State Appropriations—All revenue received and used is earned by penalties, fees, or forfeitures, and collection of the ¾ of 1% premium tax on fire insurance premiums collected in Tennessee and credited to the Fire Prevention Fund for maintenance of this division as specified in T.C.A. 53-2439 and 53-2441.

The following schedule reflects the number of arson investigations conducted during the year 1982 and the results of cases prosecuted.

MANUFACTURED HOUSES AND RECREATIONAL VEHICLES

This section of the Division of Fire Prevention is responsible for State administration and enforcement of the Uniform Code for Factory Manufactured Structures and Recreational Vehicles and the National Manufactured Home Construction and Safety Standards Act. This section also regulates manufactured structures industries by licensing manufacturers, dealers and stablizing systems installers doing business with the State, performing in-plant production line inspections of manufactured home and recreational vehicles during the course of construction, and performing inspections of completed units on dealers lots.

This section also participates in the HUD Manufactured Housing Program which includes manufactured housing consumer complaints handling within the State of Tennessee as a HUD approved State Administrative Agency.

With a drop in actual inspections at manufacturing facilities revenue increased over 1981 due to the increase in production, whereas more houses were inspected per inspection than in 1981.

This Section's revenue increased from $192,304.49 to $231,979.00 or $39,674.51 net.

ELECTRICAL SECTION

The Electrical Section is charged with conducting an inspection program available to all citizens of Tennessee. The purpose of this program is to ensure that anchoring and electrical installations are performed in a safe and uniform manner.

While conducting this program, utilizing some 63 contractural field inspectors, this section generated net receipts in the amount of some $364,000 during 1982, processed 11,348 applications for electrical registrations, performed 71,761 electrical inspections and 5,612 inspection of mobile home anchoring installations.

The administrative and supervisor functions of this section were performed by 11 state employees.

The following statistics show the number of electrical inspections made and the results of such inspections during 1982.

FIRE SAFETY INSPECTION SECTION

The Fire Safety Section is charged with the responsibility of enforcing State Statutes and National Fire Protection Association Codes (especially the "Life Safety Code") for the purpose of protecting the citizens of Tennessee from possible injury or death from fire. This section is further charged under Department of Insurance Regulations, Chapter 0780-2-3 Section 0780-2-3-.06 effective August 26, 1982 with inspecting all educational occupancies, detention and correctional occupancies on State buildings under construction to insure that the construction meets the equivalent standards of The Standard Building Code and The National Fire Codes (especially the Life Safety Code). As of January 1, 1983, inspection was extended to cover construction of Assemblies with occupancy of 300 or more. Effective July 1, 1983, the inspection requirement will be extended to include all business and/or residential occupancies three (3) or more stories in height.

The 1983 Edition of The Standard Building Code and NFPA 1-1975 including all National Fire Code references were adopted by Department of Insurance Regulation Chapters 0780-2-2-.03 effective August 26, 1982.

Effective October 1, 1982, the Plans Review Staff was reorganized under a separate section and the Tennessee Fire Incident Reporting System (TFIRS) was transferred to the Arson Section. The Fire Safety Section presently consists of the Chief Fire Safety Inspector, an Assistant Chief and eleven (11) inspectors working out of the Chattanooga, Jackson, Johnson City, Knoxville and Nashville offices. This Section has devised a new approach to school inspections by designing a survey type form that can be used by each fire safety inspector. The fire safety survey forms are then compiled by county or city and processed into a computer. The computer printout identifies all the schools within a system listing the schools with the highest number of fire hazard points first followed by a priority listing of the most serious hazards. This printout provides the superintendent of schools with an overall picture of the more serious fire hazards within his school system. Out of 1,700 schools approximately eight (8) percent were found to have serious fire safety code violations. Currently this section is working with each school system in an attempt to make not only the eight (8) percent more fire safe but to improve the fire safety conditions of the remaining schools that have code violations.

The Fire Safety inspectors conducted a total of 5,374 inspections for fire code compliance; investigated 38 complaints; conducted 3,162 code consulations in person with architects, contractors, builders and owners either at on site construction projects, architect's office and/or Division of Fire Prevention offices; and 86 inspections on new construction were conducted during the calendar year.

During the calendar year 1982 the fire safety section collected the following revenue for certificates of registration, licenses and LP Gas.

ENGINEERING SECTION

The Engineering Section is responsible for enforcing the state building and fire codes for fire and life safety. Prior to August 26, the Engineering Section reviewed plans for new construction and renovation of school buildings. After that date, under Public Chapter 875, Acts of 1982, they became responsible for reviewing plans for new construction of State owned buildings and of detention or correctional facilities. Codes were updated to the 1982 Editions of the *Standard Building Code* and the *National Fire Codes* (NFPA-1 and Annex A). Fees were established for this service by the legislation. Two Fire Protection Specialists and a Chief have been hired to augment the one man staff in preparation for the increased work load expected under the new legislation.

The staff participates in design conferences with the project architects responds to questions regarding code requirements and building materials, and provides speakers to professional organizations as requested. They cooperate with the Fire Safety Section in performing on site inspections. Requests by local governments to be responsible for their own code enforcement and requests for copies of the State Handicapped Code Books are processed by this section. Sprinkler plans are reviewed by an engineer under a contract. Major work units are shown below:

Sprinkler plans reviewed	69
Revisions to sprinkler plans reviewed	22
Construction and renovation projects reviewed	91
Addenda and revisions reviewed	91
Design development or plans review conferences	72

During the calendar year 1982 the Engineering Section collected the following revenue:

Fees received for plans reviewed under the new legislation	$1413
Plans review fees receivable (state projects)	$ 250
Received from sale of Handicapped Code Books	$ 349.14

The work load and income are expected to increase as the Section assumes the responsibility for review of buildings for assemblies of over 300 persons on January 1, 1983 and of three story business and residential construction projects after July 1, 1983. Whether the main function of the section becomes one of codes enforcer or of advisor to local building and fire prevention staff can not be determined at this time, since this is dependent on whether local governments choose to perform plans reviews and inspections of major buildings or delegate this function to the Division of Fire Prevention.

ANNUAL REPORT—1982

The Division is charged with the regulation of the non-bank institutions, cemetery related trust funds, pre-need cemetery and pre-need funeral sales, premium finance companies and state chartered savings and loan associations.

The Division is functionally organized into three sub-sections. Each sub-section operates under the general guidance of the Assistant Commissioner, who reports to the Commissioner.

DIVISION OPERATIONS

The following table summarizes the activities of the Division over the last four years:

FINANCIAL INSTITUTIONS

The modernization of the laws effecting lending institutions has greatly clarified Tennessee law and simplified the regulatory process. Further actions, such as new rules and joint examinations with federal examiners, under similar statutes and guidelines have reduced compliance problems, description of business and eliminated duplication of regulatory efforts.

There is now a total of 300 FSLIC insured savings and loan facilities open to do business in Tennessee, with offices and branches in 112 cities and 75 of 95 counties. Since January 24, 1978, all savings and loan associations in Tennessee have had FSLIC insurance.

CEMETERY REGULATION

The Division is charged with the enforcement of the Tennessee Cemetery Act of 1968, as amended, and also the Cemetery Merchandise and Services Act of 1979.

Since its inception, we have registered 109 companies for pre-need sales. In the past year, we have caused to be placed in receivership six companies for lack of compliance to the perpetual care fund and are now in the process of further investigation.

The Division reviews over $29 million in perpetual care funds from 160 cemeteries and $1,487,107 in pre-need funds.

INSURANCE PREMIUM FINANCE ACT

This Act was passed in 1979 with a one year sunset provision that was removed by the 1980 legislature. No appropriation was made for its enforcement by the Division. There are twenty companies registered.

PRE-NEED FUNERAL SALES

The Rule on pre-need funeral sales will be administered by the Loan Division under T.C.A. 62-5-405.

Eighty-eight funeral homes have obtained approval of their contracts to sell pre-need funeral services.

SECURITIES DIVISION

The Division is charged with regulation of the securities industry. There are three sections under the supervision of chiefs who report to the Assistant Commissioner—Securities, who in turn reports to the Commissioner

SECURITIES REGISTRATION

The Securities Registration Section processes applications for registration of new issues of non-exempt securities. Registration statements are reviewed to determine whether they meet minimum standards as to disclosure of material information and as to fairness and reasonableness. No effort is made to investigate the facts provided by the Registrant. This section also processes requests for exemptions and responds to requests for no-action letters and requests for interpretive opinions.

The following table summarizes the activities and results of this Section:

	1977	1978	1979	1980	1981	1982
Number of New Registrations	855	980	1,163	1,365	2,044	2,082

Staff	4	4	4	4	4	3

During the last five years, registrations have increased at an annual rate of over 13%. Currently, each examiner must handle a case load of more than 1,040 new issues. To deal with this caseload, the Division has adopted priorities for review designed to concentrate its resources on those issues requiring careful review. It has adopted uniform guidelines for review. Public availability of such guidelines speeds the process by enabling issuers to plan their offerings to meet minimum standards, or to provide justification for deviations at an earlier stage of the process.

BROKER-DEALER/AGENT REGISTRATION

This Section is responsible for registration and regulation of securities broker-dealers and their salesmen, and investment advisors. Applications for registration are carefully reviewed both as to adequacy and accuracy in an effort to maintain minimum standards for members of industry. The following table summarizes this Section's activity:

Registrants	**1977**	**1978**	**1979**	**1980**	**1981**	**1982**
Broker-Dealer/Investment Advisors	489	497	520	571	490	570

Examinations	—	—	170	795	—	5
Staffing	2	2	3	4	4	4

The increase in dealers has been due to increased public interest in investments in real estate syndications, oil and gas interest and limited partnerships and other tax shelters.

The increase in agents is due to the upswing in the market and new efforts to enforce the rule that principals who effect securities transactions in this State must also be registered as agents.

ENFORCEMENT

This section is responsible for enforcement of the anti-fraud provision of the Securities Law. It investigates complaints from investors, follows up leads provided by other regulatory agencies, and initiates investigations based on information from informants. Cases are developed wherever possible for administrative, civil or criminal proceedings. In 1982, 29 investigations were initiated. Eight (8) cases were referred for criminal prosecution. There were two (2) convictions for fraud. In five (5) other cases, criminal indictments were returned against twelve (12) individuals. Two (2) Broker-Dealers' applications were denied. Three (3) Agent applications were denied. There were eight (8) Consent Orders which resulted in Case and Desist and Suspensions of three (3) Broker-Dealers and five (5) agents. Other Consent Orders were entered against six (6) unregistered companies and fourteen (14) unregistered individuals.

TENNESSEE STATE BOARD OF ACCOUNTANCY

In 1913, Tennessee became the twenty-fourth state to enact a law to regulate and license accounts. The first law was repealed and a new one passed in 1926, a new law without a restrictive clause was enacted.

The Board shall be composed of eleven (11) members appointed by the Governor. Six (6) of the members shall be certified public accountants licensed by and residing in the State of Tennessee. Three (3) of the members shall be public accountants licensed by and residing in the State of Tennessee. One (1) member shall be an attorney licensed to practice in the highest court of this State. One (1) member shall be a public member possessing expertise in one or more significant portions of the board's regulated activities. The Board Members functions are to: (1) administer the accountancy act and rules and regulations; (2) determine the qualifications of C.P.A. candidates; (3) conduct the uniform AICPA examinations of candidates; (4) adopt and enforce rules of professional conduct; (5) revoke or suspend certificates for violations of the accountancy law, after a hearing.

During the fiscal year 1981-82, the production activity of the Accountancy Board was:

ACTIVITY	NUMBER

STATE BOARD OF ARCHITECTURAL AND ENGINEERING EXAMINERS

The State Board of Architectural and Engineering Examiners was originally created by Public Acts of 1921, to assure that only properly qualified persons shall practice architecture and engineering in this State. Public Acts of 1975 completely rescinded the old statutes governing the Board and replaced them with a new Act. Again in 1979, Sunset Legislation brought about major revisions by an Act to restructure the Board of Examiners for Architects and Engineers and the Board of Landscape Architects by combining such boards to create a single entity, to provide a termination date for such entity under the Governmental Entity Review Law, to provide for consumer representation on such entity, to amend Tennessee Code Annotated, Section 4-2903, and to repeal Tennessee Code Annotated, Title 62, Chapters 2 and 23.

This Board consists of seven (7) members, three (3) registered architects, three (3) registered engineers and one (1) member who is not engaged in the practice of architecture, engineering or landscape architecture. The Board is required to appoint a committee on Landscape Architecture for the administration of the Landscape Architectural registration process. This committee shall be composed on one (1) architectural Board Member, one (1) engineering Board Member, and the third member shall be a Landscape Architect.

Uniform national examinations for each of the three respective professions are administered by the Board. Tennessee candidates passing scores rank with the national and regional averages.

During the fiscal year 1981-82, the production activity of the State Board of Architectural and Engineering Examiners was:

TENNESSEE AUCTIONEER COMMISSION

The Tennessee Auctioneer Commission was created in 1967 by the adoption of Title 62, Chapter 19. There are four (4) Commissioners appointed by the Governor. Three (3) of these appointees are required to be practicing auctioneers with at least five (5) years experience prior to their appointment. The fourth Commissioner is a consumer member. The Commission meets during the months of January, April, July and October and special meetings are held when necessary to transact business. They are responsible for examining and licensing auctioneers and apprentice auctioneers engaged in the auction industry of Tennessee.

This Commission gives a two-part, oral and written examination. The exams are given on the first Monday of February, May, August and November. In addition to passing the examination each applicant must have two years experience working with a licensed auctioneer or one year experience and be a graduate of an auction school. Statistics of production activities are as shown below for the fiscal year ending June 30, 1982:

Activity	Number
Auctioneer License & Renewals	1,212
Apprentice Auctioneer License & Renewals	449
Firm License and Renewals	895
Branch License and Renewals	35
Examinations	318
TOTAL	2,909

TENNESSEE BOARD OF BARBER EXAMINERS

The first law regulating the practice of barbering in Tennessee was enacted by Chapter 118, Public Acts of 1929. The Board appointed by the Governor consists of five (5) members, no more than two (2) of whom shall be from each grand division of the state. Four (4) members shall be practicing barbers who have practiced such occupation in this state at least five (5) years immediately prior to appointment to the Board. One (1) member shall be a person who is not a barber. Such public member shall participate in all activities of the board except examination composition, administration of practical portion of examinations, and inspections of barber schools.

Members shall serve for three (3) years. The Governor may remove a member for cause. Members appointed to fill vacancies caused by death, resignation or removal shall serve during the unexpired term of their predecessor. No board member shall be an instructor, owner, employee, or manager of a barber school or college.

The four (4) members licensed to practice barbering shall perform inspections of barber schools and colleges. Inspections of barber shops shall be performed by inspectors provided and supervised by the director of the division of regulatory boards, Department of Insurance. Presently, each barber shop in Tennessee is inspected at least one (1) time per year. The barber schools are inspected monthly by members of the Board.

The Board composes and grades examinations, which consists of two (2) parts, written and practical demonstration for the apprentice and technician certificates, masters and practical instructors give a practical demonstration before the board to obtain their certificates, and theory instructors take a written examination. Approximately, 13% of all those examined fail the test. The Board issues eight (8) types of licenses; schools, students, theory and practical instructors, technicians, apprentices, master and barber shops.

COMMISSION ON FIRE FIGHTING PERSONNEL STANDARDS & EDUCATION

The Commission on Fire Fighting Personnel Standards and Education was established in 1974, by T.C.A. Title 4, Chapter 24. It consists on nine members appointed by the Governor for six-year terms. The basic function of the Commission is to recommend to the Governor and the general assembly standards of performance, courses of instruction and training, and procedures for certifying levels of achievement for all fire fighting personnel.

The Commission is responsible for:

(1) Approving the training programs offered by county and municipal fire departments, both paid and volunteer.

(2) Recommending and approving curricula for advanced courses and seminars in fire science, fire engineering and training in institutions of higher education or other state supported schools; and certifying instructors for those programs.

(3) Establishing classifications based on training and education for all fire fighting personnel who desire to be certified and successfully pass the examination given by the Commission.

(4) Preparing standard examinations to test the levels of training and education of applicants for certification, and establishing a passing grade therefor.

It should be noted that this is not a mandatory program. Fire Departments, both paid and volunteer, participate on a purely voluntary basis. Recruiting is done through seminars and personal contacts at various places throughout the state.

During the calendar year 1982, fifteen (15) departments were added to the program involving approximately 1,100 firefighters. Thirty-nine (30) examinations were given, with 373 applicants participating resulting in the certification of:

60 Apprentice Fire Fighters I's
37 Apprentice Fire Fighters II's
164 Journeyman Fire Fighters
261 Certificates issued

THE BOARD OF FUNERAL DIRECTORS AND EMBALMERS

The Board of Funeral Directors and Embalmers was first created by Public Acts of 1951. It was proceeded by the State Board of Embalmers. There are five (5) board members appointed by the Governor for 4-year terms and they are charged with the administration of T.C.A. 62-5-100, et. seq.

The Board is responsible for the development of and enforcement of rules and regulations; for the standards of service and practice to be followed in the profession; for the examination of applicants and approval of the issues of licenses; initiating investigations and holding hearings for possible revocation of licenses. The performance of the board can be shown for the fiscal year 1982 by the following production figures:

TENNESSEE MOTOR VEHICLE COMMISSION

The Tennessee Motor Vehicle Commission was created by Public Act in 1955. The Commission consists of eleven (11) members, including two (2) public members, their basic function is to regulate and license motor vehicle manufacturers, distributors, representatives, dealers, and salesmen, in order to prevent frauds and impositions upon the public. In 1958, the Commission was given responsibility for automobile auctions and in 1977 for automotive dismantlers and recyclers. Examinations are not required for applicants for any license; however, applicants must qualify and be inspected by the field representatives.

The Commission meets at least four times per year, in January, April, July, and October. They employ a director, field supervisor, administrative assistant, clerk 2, and six (6) field representatives, to administer the duties of the Commission. The field representatives handle complaints and mediate disputes between parties. Performance activity for the Commission during fiscal year ending June 30, 1982, was as shown:

PATIENT QUALIFICATIONS REVIEW BOARD

The purpose of this program is to evaluate the use of marijuana cigarettes and capsules in cancer patients for the relief of nausea and vomiting associated with cancer chemotherapy after failure of conventional anti-emetic therapy.

The program is administered by the Board of Pharmacy with the approval of a six member board, elected by the Governor, consisting of five physicians and one pharmacist. The program began dispensing marijuana in July 1982.

A statistical review of this program for 1982 is as follows:

Number of patients	32
Participating pharmacies	17
Participating physicians	15

Of the 32 patients receiving treatment through this program, 29 have received substantial relief from nausea and vomiting, 3 could not complete therapy.

BOARD OF PHARMACY

The original Board of Pharmacy was created in 1893. The Board currently consists of six (6) members who are pharmacists; each is appointed by the Governor for a six-year term. The board employs a director, five (5) investigators, and clerical staff to administer the duties of the board; the director and three (3) investigators are pharmacists.

Specific duties of the Board are to administer examinations to graduates of recognized schools or colleges of pharmacy applying for licensure; insure compliance with the Pharmacy Code; refuse to grant licenses or revoke or suspend licenses after conducting proper hearings; and through investigations and inspections insure that the pharmacists of Tennessee are properly dispending drugs to the people for legitimate medical purposes in accordance with state and federal laws. The general activities of the Pharmacy Board for the year 1982 is as shown:

TENNESSEE REAL ESTATE COMMISSION

State regulation of the real estate industry began in 1915, was revised in 1919, but only required the filing of an application, paying a fee, giving a bond and paying a privilege tax. This licensing was administered by the County Court Clerks. In 1951 the legislature created the Tennessee Real Estate Commission. The Commission Code has been amended and revised several times and is presently operating under Tennessee Brokers Act of 1973 as amended. 1982 witnessed a rapid growth in the Time Share industry. Time Sharing also known as interval ownership, enables a person to own his vacation home at a particular time of year without the cost and responsibility of full-time ownership. There are currently seven (7) Commissioners appointed by the Governor each for a term of five (5) years. Two (2) public members were appointed to the board in 1980-81.

The basic responsibility of the Commission is to ensure protection to the public. This is accomplished by requiring and rendering competency examinations; requiring an apprenticeship for broker applicants; supervised affiliation for salesman applicants; establishing educational requirements; initiating investigations to eliminate incompetence, misrepresentation and fraud among some agents; and to help develop professionalism among real estate agents. Brokers and Affiliate Brokers are required to be bonded for the protection of the public. The Commission, after proper hearings, is empowered to revoke or suspend licenses. Their performance activity for the fiscal year 1982 is as shown:

Activity	Number
Examinations	3,488
Renewals	—(renew every other year)
Transfers	5,180
Duplicate License	110
Rental Locators	10
Retirements	7,500
Firm Applications	272

INVESTIGATIONS SECTION

During fiscal year 1982, the primary objective of the Investigations Section was to develop a system of "accountability" or "checks and balances" for every investigation received in the section and subsequently reported to the legal office and the respective board.

The investigator case assignment card was refined to coincide with the initiation of an indices system. Monthly, quarterly, semi-annual and annual reports were submitted to the Administration, Board Supervisors and all Investigators reflecting individual and section assignments and achievements. A monthly case review file for all investigators was initiated.

The section operated during the fiscal year with a Chief Investigator, a Secretary, 7 full-time Field Investigators and a Field Inspector. Investigations were conducted for all agencies of the Regulatory Boards Division with the exception of the Board of Pharmacy and the Motor Vehicle Commission. Both Real Estate and Funeral firm inspections were conducted.

The following statistics for the Investigative Section was based on the fiscal year July 1, 1981 through June 30, 1982, a year that reflects a total of 248.5 working days:

Activity	Number
Investigations Opened	340
Investigations Closed	267
Firm Inspections	511 (390—funeral directors and embalmers 121—real estate)
Internal Advisory Memoranda	274

To accomplish the above activity, the Investigations Section drove a total of 107,658 miles (100,107) miles using their own personal vehicles and 7,551 using a state vehicle).

The most important part of any investigation is its final disposition. Coordination between legal, the boards, and the investigations unit did not always lend itself to an accurate accounting of disposition statistics. The following dispositions were reported to the Investigations Section as the final result of an official investigation:

Activity	Number
Licenses Revoked	6
Licenses Suspended	5
Licenses Placed on Probation	5
Letters of Reprimand	4
Warning Letters	2
Cease and Desist Letters	8

As a result of four separate investigations conducted for the Contractors Board, a total of $12,600 in fines was collected.

The majority of the investigative case load during fiscal year 1982 was generated by the Real Estate Board (46%) and the Contractors Board (10%).

During the fiscal year the investigations unit conducted two in-house investigative training seminars. The prognosis for the future is bright. The section has refined its investigative techniques and has refined its format in regulating and reporting professional boxing. During fiscal '82 fifteen professional boxing bouts were regulated by the investigations unit.

The immediate needs are more investigative, clerical, and coordinating personnel.

LEGAL SECTION

There are four (4) Staff Attorneys working for the Regulatory Boards. One (1) staff attorney primarily handles rules and regulations for all the Regulatory Boards. The other three (3) attorneys handle board meetings and hearings. The staff attorney's primary duties are:

1. To prepare and present contested case hearings initiated by the filing of charges as a result of complaints filed against licensees by consumers, licensees or the individual board or commission;
2. To draft legislation and rules concerning the operation of the Regulatory Boards, and the businesses and professions which they regulate;
3. To conduct rule-making hearings and attend legislative committee meetings at which matters pertaining to the Boards are considered;
4. To attend regular board meetings of the fifteen (15) Regulatory Boards for the purpose of answering legal questions and otherwise helping to guide the proceedings;
5. To respond to a large volume of legal inquiries from consumers, affected businesses, and counsel for respondents in contested cases;
6. Review all proposed contracts to which the Regulatory Boards are a party;
7. Act as a liaison between the Boards and Office of the Attorney General and Secretary of State;
8. To file criminal charges and assist local District Attorneys with the prosecution of licensees who have engaged in criminal conduct;
9. To administer the Time-Share Act of 1981. This responsibility involves interpretation of the Act, reviewing applications for registration from developers and acquisition agents, answering legal inquiries from developers, brokers, and consumers, and writing the rules and regulations of the Act. The violation of the Time-Share Act by a broker constitutes a violation of the Brokers' Act and requires that the Staff Attorney prepare and present a contested case hearing before the Real Estate Commission;
10. To ensure that the Regulatory Boards and Commissions are in compliance with the Uniform Administrative Procedures Act and other applicable legislation; and
11. To provide administrative legal support to the Director of the Regulatory Boards.

The Staff Attorneys review all Reports of Investigation and Investigative Memorandums submitted by the Investigative Section. During 1982, one hundred and twenty-three (123) Reports of Investigation and one-hundred and eleven (111) Investigative Memorandums were submitted to the Staff Attorneys for review and recommendation for action to the Boards.

Two-hundred and twenty-eight (228) Complaints were presented by the attorneys to the Boards and Commissions. This resulted in seventy-four (74) formal contested case hearings and twenty-three (23) informal conferences. These hearings resulted in the revocation of twenty-one (21) licenses; suspension of thirty (30) licenses; the probation of thirty-one (31) licenses, and forty (40) reprimands of licenses. The Boards and Commissions held twenty (20) conferences on the reinstatement of licenses and six (6) rule-making hearings. These cases generated eighteen (18) criminal prosecutions with fines totaling three-thousand and five-hundred dollars ($3,500). The civil penalties assessed from formal hearings (Pharmacy Board only) totaled Forty-thousand, eight-hundred and fifty dollars ($40,850).
